SUMMER 2014 YOUTH SPORTS

The City of Covina's Youth Sports Program is led by trained staff who emphasize each child's individual skill development by raising self-esteem and developing a joy for the sport. The program focuses on individual and team fundamentals through structured lesson formats. The child's enjoyment of sports is the highest priority. Programs are co-ed - boys and girls play together.

This is not a traditional competitive sports league structure, but more of an instructional/recreational program.

Little Tots is an 8-week instructional program. The first part will consist of drills and the last part, children will play friendly games. Participants must be age 3 by the first day of the program.

Pee Wee, Junior, and Youth are 8-week instructional programs that focus on fundamental drills, with scrimmage games to incorporate the skills taught.
